

ABA Center for Excellence provides high quality behavioral health services for its clients by employing a comprehensive and naturalistic approach. We are currently seeking new employees to help us meet the growing demand for our services. Our caring, well trained, and highly educated staff is among the most competent in the field and we are currently looking for talented and dedicated individuals to join the ABA Center for Excellence team.

If you:

- are dedicated to creating positive change in the lives of children with autism and their families
- believe that you would thrive in a team-based setting

- have attained at least a senior standing in psychology, education, social work, child development or some other relevant course of study

- have attained a BCaBA, BCBA, LPA, PsyD, or have completed course work toward a BCBA

- would be comfortable working in a variety of settings that may include schools, homes or clinics

- are experienced working with children, have a high energy level and professional demeanor

Then we would like to invite you to apply for a position with our organization.

What ABA Center for Excellence offers to you:

- initial and ongoing training
- opportunity to work with, and learn from, Masters and Ph.D. level clinical supervisors and directors
- BCBA/BCaBA Supervision
- plenty of opportunities for career advancement
- continuing education and professional growth
- a tremendous, dynamic, and caring culture

If you believe that you have the dedication and desire to help create change for our clients, then we invite you to apply right away. You may do so by sending us your resume by fax or email. Please include a brief introduction. Resumes may be emailed to info@abacenter4excellence.com or faxed to (210) 582-5816. Please be sure to put "Behavioral therapy position" in the subject line.

Please note that these are field based positions and that a valid driver's license is required.
