

“Shaping Independence through Science”

Job Title: Contract BCBA’s and BCaBA’s

Location: San Antonio, TX

Behavior Analytic Solutions, LLC is a behavioral consulting company specializing in providing services based on the science of Applied Behavior Analysis to individuals with autism and developmental disabilities of all ages. We are a growing company and currently contract with or employ 7 BCBA’s/BCaBA’s, making us the largest employer of Board Certified individuals in San Antonio and South Texas.

Due to an increasing demand for behavior analytic services in San Antonio, Behavior Analytic Solutions, LLC is seeking to hire individuals to provide contract services to young children, youth, and adults with autism and related disorders. Services are provided in the home, community, or in our clinic. Services include:

1. ABA therapy (1:1 intensive intervention with children and youth with autism or related disorders)
2. Behavior Supports: (Functional assessment of problem behaviors, development of behavioral intervention plan, staff training)

Behavior Analytic Solutions, LLC offers some of the *highest hourly rates for BCBA’s and BCaBA’s in San Antonio. *Rate is dependent upon the service provided and level of certification. Some additional training (paid for or provided by Behavior Analytic Solutions, LLC) is required to provide services.
