

MARC, Inc., Midland, TX
BCBA

MARC is looking for a Behavior Analyst for our new and innovative program providing service to children, adults, and their families who are affected by autism spectrum disorder. Service will be provided through an outpatient clinic and including functional analysis; development, implementation and evaluation of behavior intervention programs and monitoring effects of assessments and intervention programs; consulting schools, community resources and families; providing coaching, training and supports for family and staff. The Behavior Analyst will provide extensive hands-on behavior intervention directly with the child and parents. Client will present a variety of challenges including lack of skill acquisition, physical and verbal aggression, elopement, excessive self-stimulatory behavior, and self-injurious behaviors. Primarily Monday – Friday 8:00 am – 5:00 pm, some weekends and evenings may be scheduled to work with families and or community to support clients. Position requires a minimum of a Master's degree in behavior analysis or related field. Must be a Board Certified Behavior Analyst or eligible within 6 months from date of hire. Salary based on experience. Send resumes to MARC Inc. 2701 North A Street, Midland, TX 79705 or email to HR department at kmaxwell@marcinc-tx.org. Questions or inquires may contact Katie Maxwell at 432-498-8590.
