

MARC, Inc., Midland, TX
BCaBA

MARC is looking for a Board Certified Assistant Behavior Analyst for our new and innovative program providing service to children, adults and their families who are affected by autism spectrum disorder. Service will be provided through an outpatient clinic. Services will include functional analysis, development, implementation, evaluation of behavior intervention programs, and monitoring effects of assessments and intervention programs. The BCaBA will consult with schools, community resources, and families. They will also provide coaching, training and supports for family and staff. The BCaBA will be a support person to the families, and will assist the BCBA in providing extensive hands-on-behavior intervention directly with the child and parents. The BCaBA will be expected to travel the nation to visit, investigate and to develop relationships with other providers of services to persons with autism spectrum disorder. Primarily Monday – Friday 8:00 am – 5:00 pm, some weekends and evenings may be scheduled to work with families and/or community to support clients. Position requires a minimum of a bachelor degree in behavior analysis or related field. Must be a Board Certified Assistant Behavior Analyst or eligible within 6 months from date of hire. Salary based on experience. Send resumes to MARC Inc. 2701 North A Street, Midland, TX 79705 or email to HR department at kmaxwell@marcinc-tx.org. Questions or inquires may contact Katie Maxwell at 432-498-8590.
