

El Paso State Supported Living Center

The City of El Paso “The Sun City”

The El Paso State Supported Living Center (SSLC) is seeking a Director of Behavioral Health Services to join an interdisciplinary team of professionals to provide clinical care to residents of the SSLC. As a State Supported Living Center Director of Behavioral Health Services, you will work at the SSLC campus with a dynamic group of staff and professionals who are dedicated to providing supports and services for individuals with intellectual and developmental disabilities. This is a team environment where staff clinicians collaborate to provide comprehensive care and services.

The state of Texas offers many benefits to employees, including competitive salaries, career advancement, health and dental insurance, and paid vacation and sick leave. The most important characteristic about State Supported Living Center employees is that we truly value and respect those we serve and believe in the mission that all people can achieve a higher level of wellness and independence. Our vision statement is “Individuals served at State Supported Living Centers will experience the highest quality of life, supported through a comprehensive array of services designed to maximize well-being, dignity, and respect.” The Director of Behavioral Health Services reviews and coordinates the processing of services provided by the Behavioral Health Services Department, including positive behavior support plans, psychiatric support plans, counseling plans, skill acquisition plans, and restraint plans.

Registration or Licensure Requirements:

- Certification as a Behavior Analyst by the Behavior Analyst Certification Board is preferred. - If not Board Certified

as a Behavior Analyst at the time of employment, must be eligible to pursue board certification upon hire, and must attain certification within four years of hire date.
