

Hiring for Behavior Technicians

The Learning Lane is a leading ABA clinic providing ABA services to preschool aged children with autism or other developmental disabilities. We are currently hiring for full-time Behavior Technicians to join our growing team.

Job Summary:

The Behavior Technician is responsible for assisting in the delivery of behavioral and treatment goals to children with autism and other developmental disabilities.

Work Hours:

Monday – Friday 8:00AM to 5:00PM

Job Location:

25511 Richards Road, Spring, TX 77386

Pay & Benefits:

Starting base pay rate for candidates without their Registered Behavior Technician designation (RBT) is \$10-\$12/hour depending upon experience. Upon successfully receiving your RBT designation, employee is eligible for a pay increase of at least \$13/hour. For candidates who already hold their RBT designation, the starting pay rate is \$13/hour+ depending upon experience. The Learning Lane offers paid training to become a Registered Behavior Technician, along with health insurance, paid time off benefits, and discount child care.

Projected Start Date:

The projected start date for the selected candidate(s) is driven by the date in which management personnel identify a qualified candidate(s) through the interviewing and selection process.
