TEXAS A & M UNIVERSITY

Department of Educational Psychology

epsy.tamu.edu/articles/bcba

Texas A & M University offers degree programs which incorporate applied behavior analysis courses at both the masters and doctoral level. The Behavior Analyst Certification Board, Inc® has approved the following course sequence (available online) as meeting the coursework requirements for eligibility to take the Board Certified Behavior Analyst Examination®:

- SEFB 618 Applied Behavior Management
- SPED 609 Educating Children & Youth with Autism
- SPED 642 Program Development for Students with Behavior Problems
- SPED 699 Advanced Applied Behavior Analysis
- EPSY 630 Single-Case Research

Individuals interested in learning more about our programs should contact the Graduate Academic Advisor in the Department of Educational Psychology.

TEXAS CHRISTIAN UNIVERSITY

Department of Psychology

www.psy.tcu.edu

The Department of Psychology at Texas Christian University offers a Ph.D. degree in Experimental Psychology. This is a research degree that does not incorporate any courses approved by the Behavior Analysis Certification Board or any fieldwork in applied behavior analysis. However, the program offers training to conduct research in applied and experimental behavior analysis under the supervision of Dr. Anna Petursdottir in the Experimental Analysis of Human Behavior lab. This training is most useful for students who have already earned Master's degrees in behavior analysis and are BACB-eligible or already certified, but would like to gain additional research experience in order to prepare for an academic or other research-related career. This is a full-time, on-campus program. Potential applicants should contact Dr. Anna Petursdottir at a.petursdottir@tcu.edu or Dr. Charles Lord, Director of Graduate Studies, at c.lord@tcu.edu.

UNIVERSITY OF HOUSTON AT CLEAR LAKE

Department of Psychology

hsh.uhcl.edu/BehaviorAnalysis

The University of Houston at Clear Lake offers an undergraduate ABA certificate (3-course sequence), an M.A. in Behavior Analysis, and a graduate ABA certificate. The Master's program has received a 5-year accreditation by ABAI. Our practicum is also pre-approved by the board.

The courses for the undergraduate ABA certificate are offered online. These specific courses meet the coursework requirements for the BCBA exam:

- | | |
|--|-------|
| - PSYC 5235 Learning Principles | 3 hrs |
| - PSYC 6238 Applied Behavior Analysis | 3 hrs |
| - PSYC 6031 Behavioral Assessment | 3 hrs |
| - PSYC 6239 Behavioral Intervention I | 3 hrs |
| - PSYC 6331 Behavioral Intervention II | 3 hrs |

These additional behavior analysis courses are required for the degree and the graduate ABA certificate:

- PSYC 6228 Research Methods in Behavior Analysis 2 hrs
- PSYC 6218 Ethics and Professional Issues in Behavior Analysis 1 hr
- PSYC 6330 Research & Practicum in Applied Behavior Analysis 6 hrs

For questions about the M.A. program and the graduate ABA certificate, interested people should contact Dr. Dorothea Lerman (281-283-3437, lerman@uhcl.edu)

For questions about the undergraduate ABA certificate, people should contact Dr. Jennifer Fritz (281-283-3427, fritzj@uhcl.edu)

UNIVERSITY OF NORTH TEXAS (ONLINE)

Online Graduate Certificate in Behavior Analysis: courses.unt.edu/behv

The online courses in Behavior Analysis were designed to meet the needs of human service professionals and other individuals who do not have access to a university that offers a curriculum in behavior analysis or who cannot meet the scheduling requirements of on-campus courses.

These courses cover only the academic component of the Behavior Analysis Certification Board (BACB) requirements to apply for certification as a behavior analyst (for those with an advanced and approved degree) or as an assistant behavior analyst (for those with an approved bachelors degree). Those wishing to use these courses for certification by the BACB should carefully review the BACB's other requirements. Please pay particular attention to the degree requirements and the supervision requirements.

The following courses have been pre-approved by the BACB as meeting all content-specific requirements for the BCBA Exam.

- BEHV 5130 (3 hrs) Basic Behavior Principles
- BEHV 5150 (3 hrs) Techniques in Applied Behavior Analysis
- BEHV 5170 (3 hrs) Research and Applications in Behavior Analysis
- BEHV 5250 (3 hrs) Topics in Behavior Analysis:
 - Current Issues in the Behavioral Treatment of Autism
 - Improving Staff Performance
- BEHV 5900 (1 hr) Professional/Ethical Issues
- BEHV 5900 (1 hr) Introduction to Verbal Behavior
- BEHV 5900 (1 hr) Functional Analysis in School Settings

For more information, please contact:
