Spark Learning BCBA- North Austin

Why Spark?
We are (truly) a locally owned and operated, BCBA led company that prioritizes growth and collaboration for all team members. At Spark we use a naturalistic play-based approach to ABA with high quality services that impact the child globally. Through one of kind programs and totally individualized care we are dedicated to serving the community that we ourselves live in too. When you join Spark, you will be part of a team that works together and loves what they do. We are proud that our team members and clients are truly a community.

Your Next Opportunity
The Spark Learning model is customized to fit the needs of any child in our care. We provide ABA intervention to children with autism and other developmental delays at our central Austin & Cedar Park location, in home, in the community and through Telehealth. As a BCBA you will collaborate with a team to provide one-on-one or group therapy to a variety of children in a variety of settings.
